

00968

1962/11/01

21
[Soviet] military specialists in Cuba would disappear" along with the offensive weapons they are manning and protecting.

Also not included within the definition are fighter aircraft, [Komar class motor torpedo boats] and surface-to-air missiles. Also not included are storage sites or any petroleum products other than missile propellants. It would be desirable to have these items destroyed or removed as well, but the USG is not willing to pay a price to have them destroyed or removed.
